

Apartments Petrovac, Bay Petarčica, Zavala, Island of Hvar, Croatia

*Location plan (way description)
from the ferry to family Petrovac in Zavala*

When you arrive in Stari Grad on the island of Hvar:

You drive in direction towards Jelsa.

After approximately 8 km you take a right turning to Pitve.

You drive through Pitve and drive through the tunnel.

On the way down take a left turning towards Zavala. (Approx. 300 m after you leave the tunnel).

Critical Point:

When you see the Zavala sign, be careful and drive slowly!

Approximately 30 m after the Zavala sign is a very tight 180° right turning (it is recommended to take it in 2 turns).

Follow this road down for 400 m

(keep to your right)

Then you will see our house on the left side.

You can choose a parking place.

You will find us when you go around the house at the ground floor (from seaside).

Godspeed!
